Dear Esteemed Prospective Partner,

We extend our warm greetings to you on behalf of DEIL Group Co., Ltd. It is with great enthusiasm that we invite you to explore a potential partnership for the successful execution of major projects, particularly in the field of mineral resources mining (including crude oil, lithium ore, and copper ore), which may involve recurring opportunities.

DEIL Group Co., Ltd. is committed to conducting business with integrity, professionalism, and excellence. To ensure the seamless implementation of such major projects, we propose the following framework for collaboration:

- 1. Incorporation of a New Company:** We suggest establishing a new entity, where DEIL Group Co., Ltd. may hold the majority shareholding or as mutually agreed upon during discussions.
- 2. Ownership of Mining Sites:** The newly incorporated company will be connected as the 100% owner of the designated mine site or business location to facilitate operational efficiency.
- 3. Establishment of an Official Bank Account:** A dedicated official bank account will be opened for the newly incorporated company to centralize and track all financial transactions securely.
- 4. Other Related Matters:** We are open to addressing any additional considerations or requirements to ensure the success and security of the partnership and project.

Our primary objective in proposing this framework is to provide a solid foundation for all involved parties, guaranteeing mutual trust, security, and a prosperous future in the business venture.
